EDEYO

HAPPY THANKSGIVING FROM EDEYO

To all our supporters on this special day of giving thanks, we want to thank you for your continued support of the Edeyo Foundation. We look forward to continuing to improve the educational future of the children of Haiti with you.

We have so much to report regarding the progress of the Edeyo Foundation from a Medical Mission to Haiti with over 40 Doctors and Dentists to the improvement of the education curriculum and teacher training.

But during this time of thanks we remind ourselves of what it means to help others less fortunate than ourselves, those in need of help and aid in order to receive the basic fundamentals of education and health care. This is what we are trying to achieve through the Edeyo Foundation.

Edeyo first opened the Joyous Heart School with an enrollment of 88 students in 2007. Edeyo now has over 300 children

attending its school in Port Au Prince Haiti. As enrollment expands Edeyo is looking at continuing to expand its premises as well as its strengthening its educational programs in Belair.

With the help of generous supporters such as yourself we can continue to add value to the lives of children in need.

Stay tuned for our Year End Newsletter next week detailing our progress and how you can continue to support Edeyo.

Happy Thanksgiving
and Happy Holidays
from everyone at Edeyo.
